LEVEL 2 FIRE INSTRUCTORS:

Persons certified by the Fire Commission as a Level 2 Fire Instructor shall be permitted to develop lesson plans for training in department(s) of which they are a member. Classes or portions of classes developed by Level 2 fire Instructors may be taught outside their department only if the curriculum is first approved by the Fire Commission.

In addition, if the Level 2 instructor would like to instruct any new courses that have been developed by KCTCS for the Fire Commission, the instructor must apply for instructor authorization for the specific course and must successfully complete the Train-the Trainer course and teach from the approved curriculum instructor guide.

CERTIFICATION TERMS:

Unless renewed, certification shall expire after a period of three (3) years beginning in the birth month of the instructor.

CERTIFICATION RENEWAL:

Candidates for renewal must:

1. Have taught at least thirty-two (32) hours of classes using approved curriculum prior to the expiration of the certification.
2. Have attended at least thirty-two (32) training hours as a student, eight (8) hours of which must be in methods of instruction in a course or courses approved by the Fire Commission. All of these hours may be used toward the firefighter re-certification hours, not in addition to them.
3. It shall be the responsibility of the individual instructor and the instructor's agency to submit a renewal application.
4. If the Level 2 certificate expires the individual will revert to Level 1 status.

Those Level 2 Instructors certified prior to the effective date of these regulations shall comply with the limits of instruction identified in "Level 2 Fire Instructors," "Certification Terms," and "Certification Renewal" procedures listed above.
